 Stampin' Dimensionals (#104430 \$4)
 Stampin' Seal + (#149699 \$12)

Tools: Stampin' Cut & Emboss Machine (#149653 \$120)
 Poinsettia Dies (#153522 \$36)

Dimensions: Shaded Spruce: 4 ¼" x 4"
 Red Velvet Paper: 5" x 5 ½"
 Silver Foil Sheets: 1 ½" x 2 ¾" (2x)
 Plush Poinsettia Paper: 2 ¾" x 7 ¾"

1. Wrap the Poinsettia Plush Paper around the tin to form a belly band. Do not adhere to tin. Place strong adhesive (Stampin' Seal + or Tear & Tape) on one end of paper. Pull ends tight, then loosen just a bit so the band will be easy to slide off tin. Adhere ends together.
2. The seam of the belly band can either be on the bottom of the tin or the top. If you have the seam on the top, just make sure you can't see it after placing the poinsettia on it.
3. Die cut the three layers of the poinsettia from the Red Velvet Paper. Adhere layers together with Mini Glue Dots.
4. Die cut 4 leaves (3 large and 1 small) from Shaded Spruce cardstock. Adhere to back of poinsettia with Mini Glue Dots.
5. Die cut the two sprigs from Silver Foil Sheets. The die may leave marks on the foil. If you'd like to flatten the marks out, turn the sprigs silver side down. Use your bone folder to gently press and push out where the marks are. GENTLY is the key word.
6. Adhere silver sprigs to the back of the poinsettia with Mini Glue Dots.
7. Adhere the poinsettia to the belly band with Stampin' Dimensionals.
