Basic White: slightly smaller than 5 ¼" x 4"
Designer Paper: 5 ¼" x 4"
Ribbon: 20"

1. Place the Real Red cardstock on your scoring board or paper trimmer with the 5 ¼" side at the top. Score at 1".
2. Fold the Real Red cardstock along score line.
3. Open Real Red cardstock. Place your adhesive on the 1" section of cardstock. Be sure not to get adhesive too close to the top or the bottom or the fold.

4. Center the designer paper on the large section of the Real Red cardstock.

5. Close the 1" flap to adhere the flap to the designer paper.
6. Stamp sentiment on Basic White cardstock with the Real Red ink.

- Stamp heart on Basic White cardstock with the Blushing bride ink.

- Open the card so that you see the backside of the designer paper.
- Place adhesive on the back of the Basic White cardstock. Now, center the front side (stamped side) of the Basic White cardstock on the designer paper. (If you look closely at the photo below you can see a pink frame around the white cardstock.)

- Close the back of the card (Real Red) to adhere the back of the card to the Basic White insert.
- Wrap the ribbon around the 1" section of the card front and tie in a knot.
