1. Fold the Thick Basic White cardstock in half to form the card.
2. Adhere the two pieces of designer paper to the front of the card. Butt one up to the left side of the card and one to the right side of the card. Butt the bottom edge of the top piece against the top edge of the bottom piece.
3. The rainbow die is one piece so you need to die cut four rainbows, one in each of the four colors. Save the extra pieces for another project.
4. Adhere the rainbow pieces to the piece of Basic White cardstock. It's easiest to start with the largest piece and center it on the cardstock.
5. Adhere the Basic White cardstock to the Magenta Madness cardstock.
6. Adhere the Magenta Madness cardstock to the front of the card with Stampin' Dimensionals.
